

KS1 Maths Vocabulary

DRAFTED JULY 2022

Linked to CanDo Maths

Number and Place Value		Geometry: Property of Shapes		Measurement: Length/Mass/Capacity/Temperature	
Unit 1.1	Unit 2.1	Unit 1.2	Unit 2.2	Unit 1.8	Unit 2.9
zero, one, two, three... to twenty thirty tens ones digit number position more less greater larger smaller	tens exchange regroup ones digit column zero, one, two, three... to twenty zero, ten, twenty... one hundred position between	2D shape sides straight rectangle square circle triangle equal	2D shape straight sides pentagon hexagon octagon symmetry 3D vertex vertices edge face	longer than shorter than longest shortest taller than shorter than tallest shortest centimetre	longer than shorter than longest shortest taller than tallest centimetre metre scale heavier than lighter than heaviest lightest gram kilogram
Unit 1.4		Unit 1.6	Unit 2.5	Unit 1.16	Unit 2.14
zero, one, two, three... to twenty thirty, forty, fifty..one hundred tens ones digit number position more less greater larger smaller		solid 3-D shape face cuboid rectangle cube square triangle triangular flat curved sphere	3-D shape cylinder circle circular cone flat curved 2-D shape face surface straight properties edge	mass heavy heavier than kilogram light lighter than capacity empty full litre	scale litre millilitre capacity temperature degrees celsius thermometer

Addition and Subtraction		Multiplication and Division	
Unit 1.3	Unit 2.3	Unit 1.14	Unit 2.6
zero, one, two, three... to twenty thirty digit plus total altogether addend subtract take away left partition	addends commutative sum total altogether tens ones digit column zero, one, two, three... to twenty zero, ten, twenty... one hundred partition regroup	double halve half equal group array row column	multiply equal groups array rectangular columns rows product commutative divide grouping sharing
Unit 1.5	Unit 2.4		Unit 2.8
zero, one, two, three... to ten thirty digit plus total altogether addend subtract take away left partition	commutative tens ones subtract difference		factor product multiple odd even divisible
Unit 1.7 & Unit 1.9			
partition whole part addition addend plus			

altogether subtraction take away left total			
Unit 12			
Partition Whole Part Addition Addend Sum Plus Altogether Subtraction Take away Left Total Difference			

Fractions		Geometry: Position and Direction		Measurement: Time	
Unit 1.10	Unit 2.10	Unit 1.11	Unit 2.7	Unit 1.13	Unit 2.11
whole part equal divided shared half quarter	part whole equal denominator numerator third quarter three-quarters half equivalent	between on top of above below middle up down left right forwards backwards position turn half quarter three-quarter	above below left right clockwise anti-clockwise quarter half three-quarter right angle sequence pattern rule repeating	Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday January, February, March, April, May, June, July, August, September, October, November, December hour minute o'clock half past earlier than later than quicker than faster than slower than longer than	quarter past quarter to past to minute hour day
Measurement: Money		Statistics			
Unit 1.15	Unit 2.12		Unit 2.13		
coin pence worth value bronze silver note pound	part whole total sum spend change pence pounds coins notes		table symbol tally representation pictogram block diagram
